Dear ,

As we prepare for our 2016 Cub Scout Twilight Camp for the Golden Arrow District, we'd like to ask for your cooperation in the use of medical facilities and services to handle any cases that cannot be addressed by camp staff. We have an RN on staff as our Camp Nurse and also have a local physician available for telephone consultation. As the most convenient emergency center to our location, your facility is most likely where we would take anyone requiring medical care.

Twilight Camp will be held at Longfellow Elementary School at 3617 Norris as well as the parking lots, gym and Scout house of Bethany United Methodist Church at 3511 Linkwood. Our Twilight Camp will operate from the hours of 5:30 pm to 9:30 pm weekdays from June 6st through June 10th.

In order to meet national standards, we are required to communicate our emergency needs to local responder agencies. We respectfully request a confirmation letter in order that we might again meet this mandatory requirement specified by the Boy Scouts of America's National Camp Accreditation Program for Cub Scout Day Camps.

We would greatly appreciate it if you could please sign this letter to confirming your acknowledgement that we may bring a scout to your clinic if we have a minor emergency.

Thank you in advance for your assistance and service to the youth of our community.

Sincerely,

Sherry Dieckmann, 713-302-5399 (cell)
