

Rules for Volunteers

This year we are opening up our camp to anyone wanting to attend with a parent working. Boys registered do not have to attend with parent unless they are a tiger (1 grader in Fall 2017). All pack must provide a 4 to 1 ratio of boys to adults. Talk to your Pack Coordinator for Camp for more details. Girls may attend if they have a parent working camp in any job. They can do the same program as the boys. The only parents that have to be with their children are Tiger cubs. A parent can work any job except Key Staff without being registered with the Boys Scouts of America. See Flyer for more details on registering and read job description about all the jobs we need filled.

If any of you want to invite your Church or Santiago members or any other group to join us please do. We have prepared a flyer you can hand out.
